Opportunities to Showcase Collection

- **Increased visibility with strategic placement = increased circulation**
 - Shelf audiobooks with the hardcover or place near check-out for easier readers' advisory.
 - Add audio to ALL displays -- travel, Library Reads, holiday, etc...
 - Encourage use of audio in book clubs & consider a narrator Skype visit.
 - An obvious but often overlooked strategy...recommend the audio when the print edition is checked out.
- **June is Audiobook Month**
- **Summer is the time for road trips & summer reading lists!**
 - Family Vacation: Change that boring drive into an excellent adventure.

“Every summer, hundreds of thousands of students are reading books on their summer reading list, and many of them, with the blessings of their teachers, are also listening to some of the books on the list.”

- Pat Scales, award-winning retired middle & high school librarian
