# The Listen List

Purpose: The Listen List seeks to highlight notable unabridged audio books that merit special attention by general adult listeners and the librarians who work with them.

Looking for:

- Narration that creates a new experience for the listener which could not be achieved simply by reading the text.
- Outstanding narrative performance through accents, pitch, tone, inflection, rhythm, and pace.

I'm going on vacation and want an audiobook that my family can listen to in the car. Can you recommend a story that would be interesting to both my children and myself?

Can you recommend a good mystery story? I like series but am not into Cozies.

Three swords are positioned horizontally across the background. They have silver blades and brown, textured hilts with silver pommels featuring a star-like design.

All anyone talks about is Game of Thrones.  
I want to see how the book differs from the  
TV show. Is the audiobook available to  
download?

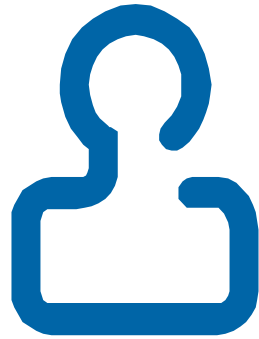

Are the rest of the titles from  
the Game of Thrones\* series  
also available on audio?

\*The actual series name is *Song of ice and fire*.

What other books by George R. R. Martin are available as audiobooks?

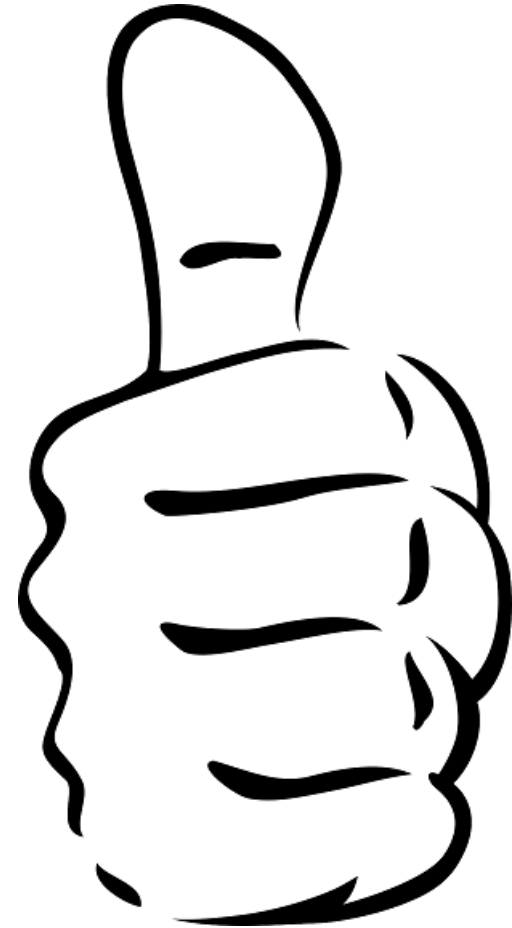

Wow! Roy Dotrice does a phenomenal job with Game of Thrones! But, after 200 hours, I'm ready for another narrator. Who do you recommend?

A minimalist illustration of two stick figures in grey. The figure on the left is taller and has a speech bubble above its head containing the word 'Questions?'. The figure on the right is shorter and has an empty speech bubble above its head. Both figures have circular heads and angular, stick-like bodies.
